HIGH SCHOOL

CURRICULUM

Flanagan-Cornell High School provides a four-year preparatory curriculum with over 75 course offerings in a traditional schedule. Students have access to advanced placement (AP) courses, honors level courses and dual credit classes through Illinois Central College, Heartland Community College, and through enrollment in the Livingston Area Career Center (LACC).

PROGRAM RECOGNITIONS

Flanagan-Cornell High School has a strong tradition in their Music Department. Quite a number of students have been awarded individually in IMEA Choruses and Bands.

Our Future Farmers of America (FFA) students are involved in numerous activities and competitions with many receiving State Degrees. Some students have held State offices including a former FFA Illinois State President. The FCHS students have been providing Test Plots for farmers from across the State for over 50 years, leading the way for the farming and seed industry. Members often volunteer their time for community efforts and numerous Blood Drives for the Red Cross.

The Family, Career & Community Leaders of America (FCCLA) has recently received State and National recognition.

Illinois State Scholars: Recognized as the top 10% out of all seniors, FCHS traditionally has more than 10% of its graduating seniors receiving this recognition.

“To prepare our students to function productively and responsibly, Flanagan-Cornell Unit 74 shall provide a climate which values and encourages student directed learning. Students will not merely acquire knowledge, but also have the ability to apply it, be able to think critically, solve problems logically, and have a sense of community, which balances self-interest with the interest of others.”

— *FCHS Mission Statement*
