Is your business eligible for a Building Improvement Grant?

The Greater Livingston County Economic Development Council [GLCEDC] Building Improvement Grant [BIG] was established to stimulate improvements to vacant commercial, industrial, and office buildings within Livingston County. Since the inception of the program, the grant has evolved to promote capital investment and expansion of occupied commercial, industrial, and office buildings as a means of aiding the retention and expansion of existing businesses. The Grant is administered by the GLCEDC and funded by a grant from the Livingston County Board or by funds from the GLCEDC treasury.
