## — HIGH SCHOOL —

### CURRICULUM

Prairie Central High School provides a curriculum with over 120 course offerings allowing students to earn up to 32 credits. Additionally, PCHS student can earn 36 transferable hours of college credit through dual credit opportunities and Advanced Placement (AP) programs. Courses offered on campus are:

- Biology
- Business Software
- Calculus
- Composition
- Java Programming
- Statistics
- U.S. History

The district is proud of its K-12 STEAM Program which reflects cross-curricular work between the Science, Math, Technology, and Fine Arts Departments, and Prairie Central High School has recently been named a top school in the US for its STEAM offerings for students by the IL Every Student Succeeds Act (IL ESSA).

Coursework is offered through the HAWK, IT, Ag, and FACS that further develops student career plans with required work at the PCHS Career Lab Freshman year and culminates with seniors completing Dual Credit/AP courses or Interrelated Cooperative Experience to ensure students are college and career ready as they graduate from PCHS.

### CO-CURRICULUM

- Over 100 Ag State Championships
- PCHS has averaged over 10 Illinois State Scholars every year for five years.
